## **Guided e-Bike-Tour „Lanzarote North“ – Tabayesco**

We cycle from Costa Teguisse inland towards the north. Past the cactus fields between Guatiza and Mala and then up to Arrieta.

Along the way there are many features of the Canarian flora which the guide will point out and will also give some detail of the history of this part of the island.

Shortly before Arrieta we turn left up through the Valley of Tabayesco following the picturesque road upward towards Haria. Once in Haria we will stop for a break in a typical local bar.

After this break we will continue through the Valley of a Thousand Palms up to the Peñas del Chache - the highest point of the island. Stunning views are guaranteed.

We then head downwards through the village of Los Valles and on to the old capital of the island, Teguisse, where we can have another break.

Finally we return to Costa Teguisse, cycling down through the villages of Nazaret and

**Note:** This tour is rated easy to medium as a basic level of fitness is needed.

The duration of this tour is dependant on those taking part. Net time on the bike will be approx. 3 ½ hours. We will set a pace that is manageable for all who are cycling
